The Rover 400 Series, and later the Rover 45, are a series of small family cars that were produced by the British manufacturer Rover from 1990 to 2005. The car was co developed as part of Rover's collaboration with Honda. The first generation 400 was based on the Honda Concerto, and the Mark II 400 (later the Rover 45) was based on the Honda Domani/Civic.
