### Social History Of England In

English society comprises the group behaviour of the English people, and of collective social interactions, organisation and political attitudes in England. The social history of England evidences many social and societal changes over the history of England, from Anglo-Saxon England to the contemporary forces upon the Western world. These major social changes have both internally and in its relationship with other nations.

### English society - Wikipedia

A very strong history of social, economic and political life in the British Isles from the earliest waves of immigrant invasions up to 1983.

### A Social History of England (Penguin History): Briggs, Asa ...

The British Isles became inhabited more than 800,000 years ago, as the discovery of stone tools and footprints at Happisburgh in Norfolk has revealed. The earliest evidence for early modern humans in North West Europe, a jawbone discovered in Devon at Kents Cavern in 1927, was re-dated in 2011 to between 41,000 and 44,000 years old.
