The Parents We Mean To

Richard Weissbourd's book about modern parenting trends places the responsibility for kids' moral well-being squarely where it belongs -- on the parents. In his book, The Parents We Mean To Be: How Well-Intentioned Adults Undermine Children's Moral and Emotional Development, the lecturer at the Harvard Graduate School of Education talks about popular parenting techniques such as being "positive parents," focusing on self-esteem, and praising our kids excessively.

The Parents We Mean To Be : NPR

Harvard psychologist RichardWeissbourd argues incisively that parents—not peers, not television—are the primary shapers of their children's moral lives. And yet, it is parents' lack of self-awareness and confused priorities that are dangerously undermining children's development. Through the au...

The Parents We Mean to Be on Apple Books

In The Parents We Mean to Be: How Well-Intentioned Adults Undermine Children's Moral and Emotional Development, Weissbourd examines how, despite parents' best efforts to do what's best for their children, something is still missing. When parents are spending a considerable amount of time and money focusing on their children's happiness, success, and well-being, can they potentially be causing more harm than good?

The Parents We Mean to Be | Harvard Graduate School of ...

His new book 'The Parents We Mean To Be' argues that parents have a much greater influence on their children's moral lives than peers or popular culture. Serving as a Scoutmaster involves a fair amount of exposure to many different styles of parenting and I believe that Weissbourd's ideas form a solid approach.
